Visitors Policy

Due to our school being a closed campus there are some rules, set forth by our school district, which must be followed during your visit here.

All visitors to our campus must:

- Give at least 24 hour notice that you will be visiting our campus.
- Must be accompanied by a staff member throughout their visit to our campus.
- Have proper ID upon check in at the front office.

“To ensure minimum interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. **Visits during school hours should be first arranged with the teacher and principal or designee.** If a conference is desired, an appointment should be set with the teacher during noninstructional time.

To ensure the safety of students and staff and avoid potential disruptions, all visitors shall register immediately upon entering any school building or grounds when school is in session.

For purposes of school safety and security, the principal or designee may design a visible means of identification for visitors while on school premises.”

Per the Palm Spring Unified School District: District Policies which can be found online at <http://www.gamutonline.net/district/palmsprings/displayPolicy/436495/1>
